Dear Sir:

Fee Deficiency Paper

On December 16, 2010, the 4<sup>th</sup> year maintenance fee was unintentionally paid in the amount of \$490.00, representing the small entity maintenance fee for this United States patent. The fee should have been paid at the non-small entity rate, which is currently \$980.00. The difference owing is \$490.00.

The Commissioner is hereby authorized to debit \$ 490.00 from Deposit Account No. 501593, in the name of Borden Ladner Gervais LLP, representing the difference between small entity fees and non-small entity fees for the 4<sup>th</sup> year maintenance fee. The Commissioner is hereby authorized to charge any additional fees, and credit any over payments, to Deposit Account No. 501593, in the name of Borden Ladner Gervais LLP.

Respectfully submitted  
Tajinder Manku
